## About This Content

*When an injured child collapses in the street, will you venture into the cellar he fled from to discover what hides, creaking in the dark?*

This variable difficulty module is designed to act as a single session encounter or as a side quest to your existing campaign. The unique way it's written and the various appendix sections present three difficulty levels to best suit your needs as a DM.

**Requires:** A Fantasy Grounds full or ultimate license or an active subscription and the included 5E ruleset.
